

**League of Women Voters of NYS  
Regional Training Meetings  
April – May 2015**

The League of Women Voters of NYS invites **all** members to come to training workshops being held in Albany, Rochester and NYC. The primary purpose is to educate our members on the Organ Donation Partnership grant – attendance of at least one member is required for a local League to participate in this program. Other topics of interest to local Leagues will be discussed in the afternoon. All members are invited to attend the workshops. **Each local League must have at least one person in attendance to benefit from the Organ Donation grant program.** Lunch will be provided and will allow for informal networking among the attendees.
