STEPS TO A BETTER NEW YORK

2013 LWNYS Legislative Agenda

Steps To a New and Better State Government

★ Campaign Finance Reform

Support lower contribution limits, increased disclosure and a system of small donor matching funds. In particular, support stronger and effective campaign finance enforcement with increased penalties for violations.

★ Election Reform

Improve election processes to extend, encourage and protect voting, including paperless and Election Day registration, early voting, better ballot design, improved polling place management/poll worker training, a single June primary, and measures to ensure the integrity of all ballots.

★ Other Government Positions

Promote effective ethics enforcement and open and transparent government processes; protect individual liberties and reproductive choices; support strong gun control measures; monitor impact of the property tax levy cap on localities and schools.

★ Natural Resources

Support protection and management of New York's natural resources in the public interest, including energy conservation and energy options from renewable sources.

★ Health Care

Support affordable and effective health care for all New Yorkers.

★ Other League Positions

The League also has positions on Women's Issues, the Judiciary, State Finances, and Social Policy, including transportation policy, under which we can and do take action.

Take Action! It's Easy!

To take action on the issues listed in this brochure or any other issues, log onto the League's website at: www.lwny.org and click "Take Action" at the top right column. You can search for your elected officials and also sign up to automatically receive League Action Alerts on key legislation. Your involvement can make a critical difference! Make your voice heard!!!
