**LEAGUE OF WOMEN VOTERS
OF NEW YORK STATE**

60TH Biennial Convention

JUNE 2 – 4, 2023
THE DESMOND HOTEL
ALBANY, NEW YORK

CALL TO CONVENTION

To: Local League Presidents

From: Judie Gorenstein

It is my great pleasure to extend a first call to the 60th convention of the League of Women Voters of New York State to be held June 2– 4, 2023 at the Crowne Plaza Albany – Desmond Hotel. Yes, this convention will be held in person and will be the first in-person convention since 2019. The official business meeting begins with the opening plenary session at 1:45 p.m. on Saturday, June 3rd. We hope, though, that most of you will arrive on Friday for the valuable pre-Convention activities.

Convention is an opportunity

- to meet and network with League leaders from all over the state in person!
- to make new friends and renew old friendships
- to learn what's forthcoming in League operations
- to improve your League's communications and visibility
- to strengthen your League by working together, sharing experiences, learning from each other, and being inspired
- to celebrate our successes

You will leave with more knowledge, new ideas and motivation to make your League better able to reach its goals. I encourage each League to send at least 1 delegate! It is so important to have someone here from your League. Let us know if for some reason you cannot and we will try to help.

On Saturday morning, we have workshops on a number of interesting topics and you are sure to learn something new for your League. And, information sessions and caucuses held on Friday and Saturday evenings will introduce you to new ideas from other Leagues and help you determine how to voice your opinions and votes on Sunday's business meeting.

It is a wonderful exercise of grassroots democracy in action. Delegates representing the local Leagues come together to make the important decisions that will guide us through the next two years including the election of officers and directors, and the adoption of a budget, bylaws amendments, and our state program for 2023-2025.

Come early for additional opportunities! A pre-convention program is scheduled for Friday, June 2:

- Hear what Libby Post, Communications Consultant, has to share on communications and join small groups discussion on ways to improve our communication and visibility of the League
- Join us for a welcome reception on Friday evening
- Attend caucuses on Friday evening on various topics

Pre-convention is an additional cost and **not** included with the Convention registration (See **page 9** of this packet for details).

According to Article VIII, Section 3 of the LWVNYS Bylaws, the convention shall be composed of the following voting delegates:

Sec. 3. Convention:

- a. Composition.** The convention shall consist of the delegates of the local Leagues, ILOs and MAL units, as provided in this article, and the members of the board, each of whom shall be entitled to one vote.
- b. Qualifications of Delegates and Voting.** All delegates shall be voting members of the League. Each delegate representing a local League, ILO, or MAL unit, or duly authorized proxy as provided in subsection f, shall be a member in good standing of that local League, ILO or MAL Unit and shall be entitled to vote only if that League, ILO or MAL unit has met its per-member-payment responsibilities. The LWVNYS board may make an exception in the case of proven hardship. No delegate shall be entitled to more than one vote, and absentee shall not be permitted. Final determination of a delegate's qualifications or credentials shall be made by the convention.
- c. Representation at convention** The members of the LWVUS who are organized into recognized local Leagues, ILOs, and MAL units in the state of New York shall be entitled to voting representation at the convention as follows: each local League shall be represented by one delegate. In addition to that delegate, each local League is entitled to one delegate for the first 40 members. Leagues having more than 40 members shall be entitled to one delegate for each additional 40 members or major fraction thereof. Membership numbers will be determined by the number indicated in the official LWVUS membership count report for the year of the convention. Each recognized ILO shall be entitled to one voting delegate. Each MAL unit shall be entitled to one voting delegate.
- d. Quorum.** A quorum for the transaction of business at Convention shall be participation by one tenth of the total number of authorized delegates.
- e. Authorization for Action.** The convention shall consider and authorize a program for action; shall elect officers, directors, the chair and two members of the nominating committee; shall adopt a budget for the ensuing year; and shall transact such other business as may come before it. .
- f. Proxies.** Every proxy must be in writing and signed by the president of the local League or ILO or the chair of the MAL Unit. Every proxy shall be revocable at the pleasure of the person executing it, unless otherwise provided by law. The proxy can contain such conditions as determined by the giver of the proxy. For the purpose of representing another League, all proxies shall be delivered to the presiding officer.

If a League is authorized to send one or more delegates to the Convention, and is unable to do so, they may authorize another person eligible to vote at Convention to represent them by giving that person a "proxy". The League giving the Proxy may give a specific proxy to direct the Proxy holder how to vote on particular matters or a general proxy.

For example, League A is authorized to send two delegates, but only one member of that League is able to attend. The president of League A learns that League B has more members eager to attend the convention than available delegate slots. League A appoints a member of League B to represent them at Convention.

If your League is going to have a proxy holder, please contact the state League office.

Delegates representing their own local League are uninstructed and are expected to use their own judgment in reaching decisions based on convention discussion. Delegates are committing their local Leagues to program study and action as well as financial obligation. Your League should be well-represented! For your convenience, see [page 8](#) for the number of voting delegates that your League is allowed to send to Convention.

Every League member is encouraged to attend all or part of the convention as a visitor. Visitors may participate in all convention events. However, they are unable to vote as delegates.

Attendees to the state Convention are asked to be vaccinated for COVID 19 but confirmation or proof will not be required. Attendees are welcome to wear masks during Convention but, as of now, none will be required.

Together, they make a potent combination for getting your message out.

The Future of the League: Evaluating Our Impact **Sunday, June 4th, 9 AM**

Ayo Atterberry, Chief of Culture at LWVUS

In this new age of information, evaluating our programs and collecting data on our efforts is critical to determining our impact.

The public and funders want to see the effectiveness of the League. Additionally, the bylaws that were adopted at LWVUS Convention last year are part of the “transformation process” and are currently being discussed nationwide for input on their implementation. This presentation will explore the vast world of data collection and evaluation and will explain the proposed process and timetable of the new dues and membership structure.

A nonprofit leader with over two decades of experience, Ayo's journey with the League began as a board member. Previously, she spent over a year in the role of chief strategy officer, where she oversaw the organization's strategy and programmatic implementation. Her career includes being a senior associate in the Evidence-Based Practice Group at the Annie E. Casey Foundation, the director of outcomes, assessment, and learning at Venture Philanthropy Partners, and the founder of Atterberry Consulting. She has served on numerous local nonprofit boards.
