3.) You will then be asked if you want Twitter to track where you see Twitter content across the web. If checked, Twitter will know when you visit specific webpages. This is a personal preference, and you can choose to opt-in or opt-out. After you make your decision, press the black button that says "Next."

4.) A page similar to the first one will pop up, this time with the information you already put down filled in. If you would like to change any of the information, you can do so now. If not, click the black button that says "Sign up."
