

## Political Parties 7.28.2022

### **Democratic (<https://nydems.org>)**

The NYS Democratic Party is proud to be part of the oldest political party in the US. Its core values are New York values: being a safe harbor for all women, ensuring economic opportunities for all, providing affordable education, criminal justice reform, quality, and accessible healthcare, environmental leadership, and guaranteeing LGBTQ rights. NYS is the birthplace of the women's rights movement, and we continue to lead the fight today.

### **Republican (<https://nygop.org>)**

We are the party of taxpayers and individual liberty. We believe in American exceptionalism, the promise of the American dream and in the Constitution as our enduring covenant. We believe that all are created equal, endowed by their Creator with inalienable rights of life, liberty, and the pursuit of happiness. We believe in limited, effective, efficient government that respects taxpayers.

### **Conservative (<https://www.cpnys.org>)**

The NYS Conservative Party, founded in 1962, is dedicated to individual freedom, personal responsibility, the protection of traditional American values of capitalism and the rights that we are all guaranteed under our constitution. To that end, we support lower taxes, smaller government, pro-growth economic policies focused on job creation, a strong national defense and support for law enforcement.

### **Working Families Party (<https://workingfamilies.org>)**

The Working Families Party is a multi-racial, working-class political party fighting for a New York for the many, not the few. By pushing for progressive legislation and electing working people to political office, we form a unique bridge between movement organizing and electoral success.
